Fee for the event is \$120.00 per ensemble. A check must accompany your application. Your attention to this detail saves hours of work for ID ACDA volunteers.

Each choir will have an assigned 25 minute time slot. Your ensemble can perform as much as you choose. Clinicians will work with your group for the remainder of the time slot. Choirs will receive written comments as well but no ratings will be given.

Choirs will be grouped in blocks of 4. You will be given a room for an individual warm up time before you perform.

Directors will require that their ensembles listen to the other groups within their time block. Please educate your students about proper concert etiquette.

Bring one (non-Xeroxed) copy of each piece to be performed with numbered measures.

Complete and return the application form to Joie Cariaga with a check made out to Idaho ACDA by October 3<sup>rd</sup>.
